WALK TO SCHOOL WEEK 18TH - 22ND MAY

This year the focus is on the social benefits of walking to school with the theme of 'Walk and Talk'. Each child will receive a scavenger hunt and activity pack.

We are also using a walking scheme 'Go for Gold'. The children are to walk for at least 10 minutes each day with parents, friends or carers and have their record cards stamped each time. Once their card has been stamped 40 times they will be offered a free swim.

Year 6 children will be in the playground at 8.50am each day to stamp their cards.
